## PRODUCT SAFETY RECALL

Dear Valued Customer,

We regret to inform you that we have recently identified a safety concern with the below product sold on Temu.

### Product details

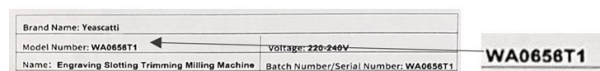

Name of the product: 800W 30, 000 RPM High-Speed Wood Router with 1/4 Inch Adjustable Base & Metal Bracket - Electric Trimmer for Carpentry, Woodworking, and Milling - Power Tool for DIY Projects, Woodworking Tools

Brand of the product: Yeascatti

Name of the seller: Yeascatti

Identification No.: WA0656T1 which is accessible on the package as follows:

Product ID: 601100089784091

Affected Customers: If you purchased the product listed above before 2026-01-21, you are affected by this product safety concern.

### Why is this product dangerous?

The length of the power cord is 1.35 m, shorter than 1.8 m specified by the standard. The product lacks the required Italian instruction manual, warning symbols, and proper machinery markings.

### What to do

Please immediately stop using the recalled product and dispose of it safely.

If you have offered or sold this product to someone or are aware of anyone using this product, please inform them of this message.
